FARMVILLE.

The other districts are complaining that Farmville not only wants the Commonwealth's Attorney and the Clerk, but now asks for the Treasurer too. "To those who have more shall be given." It is the old, old story but seems to be ever new. There never was a time in the history of the country when it was easier for the man with money to make money, while the fellow with limited capital has an up-hill business at the game. May be it is best that but few men should succeed after all. If we were all Rock fellers what a time of it we would have dodging the officers of the law. The world couldn't afford to have none but millionaires. No one would be willing to cook or shine shoes.

It is full at work at the Summer Normal. Entertainments abound and are stimulating and refreshing. During the session of the Institute distinguished Educators will discuss special subjects, and this will be of special interest.

Mr. Warriner, our new deputy clerk, is making an enviable reputation.

Mr. Thompson, one of our local attorneys, is urging that our court room be decorated with the pictures of the distinguished men who lived and labored here.

The new railroad to connect this town with the C. & O. and Tidewater is being discussed. It would no doubt be of service to us, but I very much question that our people will vote a subscription. They are still sore over that $50,000 to the Tidewater and Western from which returns are yet to be had.

The new organist of the Presbyterian Church, Miss Burge, is giving great satisfaction.

It seems that we are to have a High School in each district of the County.

Hampden-Sidney is getting to be a summer resort of no mean repute. It is the healthiest spot in Virginia and an ounce of physical comfort can be found there to the square inch as in no other place beneath the stars. The houses are splendid, the house-keepers eviable queens, the cook's etceteras, ice in abundance, fresh vegetables galore and a bevy of pretty and attractive girls. The man who isn't satisfied with these things must be sick or a chronic fault-finder.

Mr. Walker, recently of Pulaski, is here to take charge of the re novated hotel. The new furniture is of the best quality, the improvements are up-to-date, and at last we are going to have a modern hotel, a Farmville Jefferson, of which we will all be proud. The table, however, must be in keeping with the equipments or the venture will be a dead failure. "Knights of the grip" must have something good to eat or they will go elsewhere. Guests are entitled to clean beds and comfortable fare.

Our vegetable market is well supplied now and we can still buy meat, that is if we have the price.

We might all be vegetarians during the warm weather and be none the losers.

Having gone the State over I have returned perfectly satisfied that Farmville has the most untiring merchant in all the Commonwealth. I needn't give his name as I have sufficiently designated him. Like Russell Sage he has no time for vacation and doesn't know what it is to be tired. If he had Russell Sage's opportunities he too would be a multi-millionaire. The financial in stincts, however, belongs to but few people.

The home-coming feature of our Exposition hasn't been as prominent as I expected it would be, at least the sons and daughters of Farmville have not been returning in great numbers.

I passed through Charlottesville one day last week and was surprised to find the saloons with doors wide open and during a rushing business. I was told that they had until the 1st of September to close and evidently the keepers are making the most of the time allotted them and the topers were giving their active assistance in their work. I also passed through Staunton and was told that "dry" was the word. When the saloons all close what a startling business the few dispensaries of the State will d. Farmville is in "the swim."

The Methodists and Presbyterians had their first joint service at the Presbyterian Church on last Sunday, and it was delightful and helpful. Mr. Graham preached the sermon, but before beginning it gave a warm and loving welcome to the Methodist brethern. These services will continue during the months of July and August. Rev. Mr. Littleton also occupied the pulpit and took part in the service.

Mr. C. A. Price and family will occupy a portion of the home of Mrs. Wade for the coming Normal session.

There are some 125 students in attendance upon the Summer Normal, 86 of whom board at the Normal, with Mary White Cox in charge.

Our authorities are urging for new granolithic walkways, and I suppose when they have finished with the town they will begin work on the public roads leading into town. The dispensary is an up-to-date road builder, and none of us are looking the gift horse in the mouth."

I feel sympathy for the cooks who have to stand over the cook stove in weather like this, but I am very grateful to them for their faithfulness.

Mrs. C. R. Morton and her daughter, Miss Loulie, are at Crockett's Springs.

Mrs. P. W. McKinney and Miss Frankie, are at Blue Ridge.

Supt. Eggleston addressed the Summer Normal on last Thursday evening and a reception followed.

Rev. Mr. Matchett, who is supplying the Episcopal pulpit, is preaching most acceptably to members of that congregation.

Our livery horses are suffering on the road during the heated term.

The soda water man is all smiles with the thermometer in the nineties.

Our doctors are not busy, the health of our people being unusually good.

Our preachers will have their usual vacation.

The small boy is enjoying the river, and the older boy the bath rooms.

Our fathers little dreamed that Farmville would one day be supplied with telephones, electric lights, bath rooms and granolithics, and who ever dreamed that one dispensary would whip out five saloons?

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proved fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life.

Take the Postmaster's Word for it.

Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standing there in its line. It never fails to give satisfaction and we could hardly afford to be without it."

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Buckingham.

Miss Mary Florence Spronce died of double pneumonia at the home of her mother last week. She was a daughter of the late Wesley Spronce, who was so long and so well known in Buckingham.

Mr. Louis D. Jones Sr. attended Circuit Court last week and his friends are glad to see him looking so well.

Capt. Scott and Capt. White, the opposing candidates, attended court also. Mr. White is thought by some to resemble the late B. B. Eldridge in personal appearance.

This paper will be delivered in plenty time for you to read that the 27th and not the 26th is primary day.

It is mighty nigh August and June apples are just now ripe and no watermelons are smiling on the vine and I haven't seen a corn field pea in bloom, nor yet a ripe tomato except some that came from the South. Some folks were planting tobacco last week, it may not be too late but you know how the frosts do sometimes.

Mr. and Mrs. Wingfield Brown, of Philipburg, Montana, say that there was snow on the ground 3 inches deep when they started to Virginia on the 27th of June.

While I am writing the thermometer registers 89° in the shade.

The case of Jennie J. Jones vs. The Buckingham Slate Company was decided adversely to the plaintiff in the Circuit Court, a jury of seven was empanelled to try this case, and it was taken to Arvonia to view the quarry where the damage was claimed to have been done by the defendant company.

T. C. Bryant, J. J. Wooldridge, N. C. Catlett, N. F. Conner, J. A. Pankey and A. M. Marks (white); and Dashwood Jones and Henry Sadler (colored) were improperly omitted from the list of eligible voters by Treasurer of Buckingham County and the Clerk was ordered and directed to certify these names at the bottom of the printed list of voters to be used by the Judges in the coming election.

Mrs. M. B. Anderson, Admx. of R. M. Anderson, deceased was required to give a new bond as such admx. in the penalty of $10,000 at this term of the Court, but was allowed until the first day of the next term of Court to give said new bond.

The Court decided that the Buckingham Bank was erroneously assessed with taxes and county levies on their stock, and that said stock was assessed at too great a value, which was caused by the method in which the last published statement of the financial condition of said Bank was made up. This Bank was exonerated from the payment of the sum of $77.35 of the aggregate of said taxes so assessed against them and they pay the sum of $12.67 in full of said taxes.

Mr. M. J. Cox was appointed sealer of weights and measures for Buckingham County.

Dr. T. H. Lacy filled his appointment at Grace and Memorial on Sunday. We are glad to have him back, as he has been attending the Sunday School convention in Rome, and traveling in "The Mother Country." The members of the church at Grace have made many improvements on the inside as a surprise to the Doctor on his return home.

A very delightful dinner party was givin by Mr. and Mrs. John Lewis at Sunnyside, in honor of Mr. and Mrs. Wingfield Brown, of Montana, on Friday last. Among those present were, Mr. and Mrs. H. G. Goins, Mr. and Mrs. A. C. Horsley, Mr. and Mrs. G. W. Patteson, Mr. Howell Lewis, Mr. and Mrs. Wm. Lewis and Misses Belle Irvine and Kate Jones, of Richmond.

Mr. Walker Steger is in Richmond under medical treatment.

Dr Glover se ms kept quite busy as there is a lot of sickness around.

Mr. E. K. Langhorn says he can give us Buckingham farmers some pointers on wheat raising, as he has the best yet threshed—365 bushels. And from the looks of his corn fields there will be some shucks to fling.

It is good to hear the ring of horses' hoofs on our new bridge across Sycamore Creek. It is a dandy.

Rev W. P. Province will conduct revival services at Woodland Church commencing Sunday next. We agree with our Buckingham correspondent and so do our ladies.

Spring Mills.

As it has been some time since this busy corner has sent in her notes, we will come again this week. Our quietude does not indicate inactivity, for this is not the case here by any means. Our people are always on the alert.

Though we near the complaint quite frequently that labor is scarce, notwithstanding this fact, tobacco and corn crops are looking fairly well, and right many people have cut their oats and threshed their wheat, which are fairly good.

The singing school at Red Spring is largely attended, and much interest is manifested in it.

Miss Cora Land, of Indiana, is visiting relatives in this section.

Mr. and Mrs. Eddie Dickerson visited Mr. J. H. Morris this week.

The Sabbath School at Falling River is doing well under the Superintendent of Mr. J. W. Davis.

There will be services at this place on the 4th Sunday afternoon in August, conducted by Rev. Mr. Chockolette.

Miss Jennie Cheatham is still on the sick list.

Mr. Earnest Howerton, Misses Clark and Bessie Cheatham, Mamie Dickerson and Vara Howerton visited the home of Mr. J. H. Morriss on July 20th.

A party of young people went whortle berry hunting last week and report a scarcity of fruit, but an abundance of chiggers.

The blackberry crop is very spacious in this section.

Hebron.

We have always thought it best if possible to send cheerful letters both for the press and socially. Something that will be welcomed as a source of joy and cheer, and often have we, when our heart was sad, deferred writing a letter until our surroundings were brightened. But when death enters our midst we feel that there will be some one whose eyes will fall upon our lines that will be interested in the one taken and who will be glad to offer the bereaved a word of sympathy, or a prayer in their behalf.

On the morning of July 10th, after a painful illness of two weeks, the spirit of dear little Louise, aged 7 years, the only daughter of Mr. and Mrs. Bennie Wheeler and granddaughter of Mr. J. S. T. Bondurant, winged its way to Heaven; leaving a vacuuem in the happy, heretofore unbroken family. On the 11th her little form was placed in the Hebron cemetery there to rest until the resurrection morn. The burial service conducted by pastor, Rev. J. C. Davidson, was very impressive. The little mound was decorated with flowers by the infant class of which she was a member. Parents, teachers and little comrades realize that she is safe in the arms of Jesus and in this thought are comforted, but oh it is sad to know we shall see her bright amiable face no more in the flesh.

Mr. Martin Webbe was buried in the same cemetery July 16th, the services being conducted by his pastor, Rev. J. C. Davidson. He had been a great sufferer for months and welcomed death as a relief, often repeating "I do not fear death, I am ready to go." He leaves a widow and three children, who have the sympathy of the entire community.

The whooping cough has some what abated, but the scare is not over. The children are very tired of being quarantined and crave especially to get out to Sunday School.

Prof. George Davidson recently of Oklahoma, is having quite a tedious case of typhoid fever at the Baptist pastorium. Hopes are entertained that he is now somewhat improved.

Mrs. Frank Stratton, who has been ill for so long, is rather better, but far from being well.

Mrs. Mary Steptoe, who has been staying with Mrs. Frank Stratton, has returned to her home in Bedford.

Mrs. Marshall Stratton is expecting relatives from Georgia to spend some time with her. They are now taking in the Exposition.

Miss Lot ie Jennings has returned from an esteemed visit to Rockbridge and Botetourt. We gladly welcome her back.

Miss Fannie Pierce Taylor is visiting friends in Prince Edward. We miss her bright cheery face and are impatient for her return.

Mrs. McIver spent a delightful week in Lynchburg recently, visiting old friends, shopping, etc. When she returned she found a severe cyclone had passed through her yard tearing up some of her favorite trees and doing other damage. It also did considerable damage on Capt. Watt Carson's farm.

Mrs. Watt Carson and sister, Miss Alice Stratton, are visiting an aged aunt at Big Island.

Bethel P. M. Church has secured the services of Mr. Rice, a very attractive young man in appearance, for the summer. We hope to find him as attractive mentally next Sabbath when we will have an opportunity of testing him. We should however be very careful of our criticisms of the young ministers, but ever be charitable towards their little failings and also be ready to help them up with an encouraging word.

The H. W. M. Society met last Wednesday and much business was attended to. If the sisters only had more help and could carry out their good desires, what a power they might be in the Master's work, but it is difficult, with so many domestic duties to attend to church work as we would like.

Some of the old ladies ones who left last year, thinking they would find a land of milk and honey in the North, have returned and say they are satisfied. We hope the tide is turning. The farmers too are suffering much for help. We see some large fields of corn no thinned nor worked all for the want of labor.

Mr. Buck Carson has a large supply of nice clover hay, which looks like good farming.

Mr. J. H. Taylor killed a large moccasin snake in his children's play yard yesterday. It was quite a fright to the little folks.

Mr. Hylton appears very dull Mr. Editor, but "she hath done what she could" in the way of news, so please excuse.

How this paper's correspondence forms a link between the writers. Some of us are dear friends. For others whom we have never met we feel an attachment. It is a pleasure to exchange our compliments. It is not "taffy" either but of the sincerity of heart. Southside deserves all she received.

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the 25 cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and I this morning I feel like a new man."
